PRESIDENT'S REPORT

SONDRA ANDERSON

I heard many comments that 2023 may have been harder than the previous COVID-impacted netball years, as everyone seemed to decide that they needed to cash in their travel credits, and many of our young 20-somethings had to make their way to Europe in June and July! It felt like every team in the competition had fill ins this year, but all of our Clubs persisted nonetheless for a successful season.

COMMITTEE & VOLUNTEERS

We welcomed Narelle Morgan to the Representative Teams Coordinator role, also joining the Pathways Subcommittee, to work on the integration of Sharks and the FNA development pathway. We sadly say goodbye to Elanie Lloyd and Amber Jones for the 2024 season.

The Family Fun Night, held in May to celebrate our volunteers, was a success, with food trucks, Kidz'n'Sport, and DJ. Ten tickets to the June long weekend West Coast Fever game were purchased as a prize for teams who registered to bring five or more players to the evening. The winners of the tickets were a very excited Go G2 team from Flames Netball Club. We raffled a Golden Parking Ticket at the event, and Clare Bond was the winner, generously donating it to another member. Walking Netball was also played during the night, which was thoroughly enjoyed by all.

We were successful in applying for a Neighbourhood Quick Response Grant of \$1,000 from City of Fremantle to support the event.

SPONSORSHIP & GRANTS

We welcomed MG Melville as a GOLD sponsor, with the commitment of \$80,000 being used toward much needed new uniforms over a 5-year partnership.

Thank you to Armando Sports for providing vouchers for the Most Valuable Player award recipient for each Association Championship team. Armando Sport also ran two FNA members discount weekends in April that provided members with significant store discount.

The Committee was very pleased to note that the Association's candidate for the Westfield Local Heroes Grant, Committee member Clare Bond, was successful in the popular vote, winning the major \$20,000 prize for inclusion and pathways at the Association. Congratulations to Clare on this fantastic achievement, and thanks to our FNA community for making it possible.

The Association's application for the Cultural Awareness Training & Cultural Activities Grant of \$1,000 from the City of Fremantle was successful, with more information expected soon from the City.

PRESIDENT'S REPORT

CONT.

We would also like to thank Gary Foster from Metro Steel Fabrication WA, who gifted his staff to complete the welding of additional NetSetGo post brackets to some of the goal posts on the hard courts, saving FNA \$2,000.

LIFE MEMBERS

A special presentation was made to Committee member, Clare Bond, on her successful voting-in to Life Membership to the Association.

The Life Members' afternoon tea was held on Grand Final day. This year we sadly farewelled two very valued life members, Margaret Young and Marjorie Green.

DEVELOPMENT

We ran our first selector workshop and expect this to continue yearly.

FNA had 19 teams representing us at the FTG&P Association Championships Teams with eight teams making finals and we came home with two wins.

Congratulations to our FNA athletes, Asha Parsons, Riley Burd, Indiana Squiers, Maya Kenny, Sophie Main and former FNA athlete Georgie Cleaver who were named in the State 19U Team, with Ava Robson named as a training partner, and Melanie Rainey the Assistant Coach. Indiana was

named as the Captain of the 19U side, and was further named in the 19U Australian Pathway Squad.

The state 17U team was represented by Sharks and FNA athletes Teagan Begovic and Kianah Davey, with Teddi Lowe named but unfortunately unable to participate.

Sharks Academy athletes Neve O'Sullivan and Chiara Finlay were selected in the School Sport WA 15U state team. Olivia Evans was selected in the School Sport WA 12U team. Zoe Spencer was an assistant coach of this team.

The Fever in Time Program, run by Netball WA, was a six session training program, with teams competing at State Cup in October. There were no Association-based 20U teams invited this year. Even with this being so, FNA was well represented at the competition, with the bulk of the players in the Metro South 16U1, 16U2, and 14U2 teams being FNA athletes.

Two FNA coaches were successful in applying for coaching positions within the NWA run Fever in Time program:

- Lisa Callaghan – 14U Head Coach
- Chelsea Eldridge – 16U Assistant Coach

The Association participated in the Metro Development Program, a six week program

aimed at further engaging those athletes who were not selected by Netball WA for Fever in Time.

UMPIRING

The Umpiring Committee was successful in obtaining a \$5,000 grant from Fremantle Ports, which was used to assist the growth and development of the Umpire Academy. FTG&P Association Championships, we had 22 umpires cover all FNA games, 6 Singapore teams, and RDNA No Limits covering over 160 games over the three days. A record 12 FNA umpires received a finals match appointment, the most of any Association, which is a great reflection of our umpire pathway and programs and the hard work of our umpires and coaches.

Our Junior Umpire Development Program had 40 umpires selected to participate during the Winter Competition, and the July School Holiday Umpire Program had 32 participants.

Our FNA umpires were awarded 49 National C Badges and one National B Badge. Five FNA umpires were a part of the WANL State Umpire squad and five umpires were selected into the Fever in Time program.

Congratulations to Lucy Robinson on being selected to umpire at the School Sport

Australia 12U National Netball Competition in September. Congratulations to Madison Rogers for being appointed to umpire the gold medal match at the School Sport Australia 15U National Netball Competition in August.

Fever in Time umpires selected:

Abbey Heard; Hannah McCarroll; Bridie McCarroll; Isabella Coubrough; Alexandra Waldock; Lucy Robinson; and Bethan Duffill (umpire coach).

We successfully trialled having our FNA Academy umpires cover all JA1 and 17U1 games this season.

SHARKS

Sharks had a successful 2023 campaign, with both teams qualifying for the finals series. The 20U team finished 4th after a hard fought semi final. The Open team finished 3rd after losing the preliminary final to the minor premiers.

- Club Person of the Year: Jessica Penny
- Open Team MVP: Jessica Penny
- Open Runner up MVP: Numi Tupaea and Larrissa Harrison
- Open Coaches Award: Asha Parsons and Georgia Bertolami
- 20U Team MVP: Indi Strom
- 20U Runner up MVP: Riley Burd and Ava Robson

PRESIDENT'S REPORT

CONT.

- 20U Coaches Award: Jacinta Nicholls
- Sharks Academy Rising Star: Brianna Jones

Jessica Penny was recognised twice at the Jill McIntosh Medal awards night:

- GIG WANL Club Person of the Year for Sharks
- Goal Keeper in the Team of the Year

Ava Robson won her second consecutive MVP for the 20U division.

Sharks signed a new five year WANL licence agreement, and agreed to the transfer of the licence to FNA to manage. The Pathway subcommittee was established, chaired by Clare Bond. The aim of this is to build a stronger relationship between Sharks and FNA, greatly improving the Sharks program for existing and aspiring athletes and strengthening the player and officials pathway and opportunities.

Thank you to Keryn Rae, Michelle Wilshaw and Kate Bond who managed the admin, finance, governance, and social media for Sharks in 2023.

The Sharks School Holiday Clinics held at FNA were thoroughly enjoyed by all participants who attended.

AT THE ASSOCIATION

Our FNA School Holiday Clinic was held in

July, with 168 participants and 33 coaches in attendance.

A total of 458 teams registered for the Winter Competition in 2023.

We held our thirteenth annual Club Forum. It was a very well attended meeting, with robust discussion and exchange of ideas on all matters at FNA. Thank you to Attadale for coordinating the pre-Club Forum meeting.

Spring netball was successful again in 2023, with the competition proving even more popular than the year before, with 156 teams participating, open to mixed teams for all grades.

Thank you to our office staff - Michelle, Bethan, Gayle, Kate, Keryn and Adam. I thank all of our Committee and Association and Club volunteers for your ongoing support and contribution to FNA.

It always makes me so proud when I look back on the year and document how much we have achieved. None of us could make this happen without us all working together and for that I am really glad we are on this journey together. Watch this space for bigger and better things in 2024, including the launch of the new FNA and Sharks logos and branding.

SPRING COMPETITION

Final registrations for the 2023 Spring competition was 156 teams and over 1300 players, up six teams on 2022:

- Open division: 24 teams
- 17U division: 32 teams
- Junior division: 56 teams
- Go division: 32 teams
- Set division: 12 teams

The Set and Go teams played in a round robin competition and experienced playing on hard courts. The Junior, 17U, and Open competitions were divisions of eight, with the top ranked team after the conclusion of matches being named the winner.

We had three timeslots, 4.15pm, 5.30pm and 7.00pm, with the two later timeslots full to capacity and the 4.15pm running alongside a hugely successful Net Program with an unprecedented 73 participants after registrations were re-opened due to popular demand.

The Spring Competition was advertised and available to participants of all genders, and it was possible to offer a combination of divisions both with mixed-gender and female-only teams. There was a very similar number of male players involved across all age groups in the 2023 Spring Competition compared to last year: 66 this year, and 63 in 2022.

PLAYER & COACH DEVELOPMENT REPORT

GAYLE PASSMORE

It was an exciting and rewarding year for our development programs, with the Association trying new programs and courses, as well as taking on the WANL licence for the Sharks and working towards an aligned and connected pathway for our Fremantle athletes, coaches, and officials.

ASSOCIATION CHAMPIONSHIPS

We had 19 teams representing Fremantle at the Fuel to Go & Play Association Championships in 2023, and experienced good success with eight teams making their division grand final and two achieving the win.

Our Opening Ceremony flag bearers this year were Ashley Speijers (Leeming Netball Club) from our 12U1 Team and Tiana Bussell (Rossmoyne Netball Club) from our 20U Team.

METRO DEVELOPMENT PROGRAM

The Metro Development Program is a multi-Association initiative, aimed at bridging the development gap for athletes between Association Championships and State Cup. This year, the program included the entry of teams into the Southside Demons Carnival in August, as well as a six week competition rotating between FNA, Perth Netball Association, Southern Districts Netball Association, and Wanneroo Districts Netball Association.

FNA submitted two 12U, 14U, and 16U teams, plus one 20U team. The teams and their coaches had a successful and enjoyable experience at both the Demons Carnival and during the MDP Competition, with feedback from participants expressing enthusiasm about the purpose and success of the program.

FEVER IN TIME & STATE CUP

Players were invited to participate in this Netball WA program after being talent identified by selectors from March to June at the Developing Talent Challenge carnivals and the Fuel to Go & Play Association Championships.

State Cup took place at the Gold Netball Centre between 6 and 8 October 2023, with 26 Fremantle athletes selected to take part in the 14U and 16U Metro South teams, along with two FNA coaches. It was great for these athletes and coaches to get the exposure to this training and competition environment.

COACHING DEVELOPMENT

The Association ran three Club Coach Clinics in 2024:

- One aimed at the JD/JE age groups;
- One aimed at coaches of JC to JA teams;
- One aimed at NetSetGo & new coaches.

The first was run in March and saw 35 participants, while the second run in May had 11, while the third had 20 participants. All received very positive feedback.

Development Coach Accreditation run in February, with all 11 coaches successfully achieving their accreditation:

- Peter Cann (Palmyra Rebels)
- Charmaine Collopy (Flames)
- Brittney Grantham (Success Strikers)
- Janay Johnston (Palmyra Rebels)

NET PROGRAM

We successfully expanded our Winter Net Program from one time slot to two, with a total of 62 participants for the 10 week program.

The Spring Net Program was also a great success, with 73 participants, of whom 35 were new to the program for the year.

PRIMARY SCHOOL CLINICS

It was a very successful July School Holiday clinic this year, with over 150 players aged 5 to 11 registered for the program that ran at the courts over two half-days.

Despite the cold and rainy conditions on the first day, our young netball athletes had a fantastic time. We were grateful for the provision of a selection of fresh fruit from Woolworths to encourage healthy eating and provide fuel to our participants.

UMPIRE DEVELOPMENT REPORT

BETHAN DUFFILL

I would like to thank Elanie Lloyd, Erica Miglori, Claire Adshead, Claire Ryan, and the Umpire Squad for their ongoing support and assistance in umpiring, coaching, badging, delivering programs and talent identification throughout the 2023 season and making my first year as AUDO so enjoyable. Thankyou to everyone on the FNA staff and Committee for all your input and assistance along the way. In a year heavily impacted by COVID-19, it was a huge team effort to make 2023 such a successful year.

JUNIOR UMPIRE DEVELOPMENT PROGRAM

In 2023 40 beginner umpires participated in the Junior Umpire Development Program that was efficiently run by Erica Miglori and her team of umpire coaches. There were a record 17 National C Badges awarded during this program and three umpires were elevated into our 2023 Umpire Academy group. In October and November, we saw over 75 umpires trial for our 2024 program.

ADULT UMPIRE DEVELOPMENT PROGRAM

In 2024, we saw ten umpires participate in this program. This program is targeted at any level umpire over the age of 18 to give people a safe and structured place to learn to umpire or develop their existing umpiring skills. Through this program we awarded three National C badges and had many of these participants umpire throughout the finals series.

UMPIRING WORKSHOPS

In 2023, the FNA Umpire Committee and Squad delivered ten workshops and visited multiple Clubs throughout the year to upskill umpires and umpire coaches in different areas of netball, including rules discussion, game management, and umpire coaching. We continue to look to expand these in 2024, especially with the implementation of the updated Rule Book.

METRO DEVELOPMENT UMPIRE PROGRAM

This year saw the inaugural year of the Metro Development Umpire Program run alongside the Metro Development Competition run as a collaboration between FNA, PNA, WDNA and SDNA. Clubs were asked to nominate their strongest umpires to be a part of this program, and we saw 13 umpires participating from Attadale, Bicton, Dalmatinac, Leeming, Melville Lakers, Tingara, and Willetton Netball Clubs.

PUBLICITY & SPONSORSHIP REPORT

HELEN JONES

Fremantle Netball Association were very grateful for the support and contributions that were received from sponsorships and grants in 2023.

In 2023 we brought on board a new platinum sponsor with MG Melville signing a sponsorship agreement with us in July 2023. MG Melville have committed to \$80K over a 5-year period. We are excited to partner with MG Melville and hope our netball community and MG Melville both benefit from this relationship.

FNA was pleased to support Netball WA's sponsors through activations at the Association for Linley Valley Pork and West Coast Fever, which were all enjoyed by our players and supporters.

Clare Bond, our enthusiastic and dedicated FNA Committee member was announced as the 2023 Westfield Local Hero for Booragoon. Clare's passion for netball shone through and she was well supported by our whole netball community to win the grant. Westfield awarded Clare and FNA a community grant of \$20k to help grow our impact in the local community.

FNA were very lucky to receive grants from the following sources:

\$5,000 from Fremantle Ports to be used towards our Academy and other Umpiring Development programs.

\$1000 from City of Fremantle for their Neighbourhood Quick Response Grant. These funds were used to support our Family Fun Night to celebrate the Association's volunteers.

The Association has also been awarded a Cultural Awareness Training and Cultural Activities Grant from City of Fremantle of up to \$1000.

Thanks to Netball WA for providing the Association with grants of \$7,500 and \$4,620, which went in part towards helping improve safety with the resurfacing of the run-off area to the west of Court 3.

GOLD INDUSTRY GROUP WANL SEASON

Both of our GIG WANL teams finished 4th on the ladder at the end of regular season matches, with our Open team managing to unseat third-placed Southside Demons in a nail-biting one point finish in the Semi Final, before suffering defeat to Western Roar and ultimately finishing their 2023 season in third place.

Our 20 & Under team won the right to take part in finals by defeating their fifth-placed finals competitors Rangers by one point in the final match of the regular season, in a thrilling Rangers home game where there was just one point between them in the final result. Our 20 & Under team were unfortunately defeated by just two points in the Semi Final by the Comets, who went on to win the 20 & Under Grand Final.

We were very excited to celebrate Jess Penny's 150th Open division WANL game on Friday 5 May 2023! Jess has been a lifelong Shark, moving through the pathway with the Coastal Netball Region and Coastal Sharks, before joining us in the first East Freo Sharks Open team in 2019. Congratulations to Jess on this amazing achievement!
