# PRESIDENT'S REPORT

**SONDRA  
ANDERSON**  
PRESIDENT

In 2021, FNA opened a time capsule from the 2000 committee, revealing a series of logos used since its founding in 1960. This inspired the decision for a logo refresh, showcasing new designs created by the team.

The integration of Fremantle Sharks into the FNA community marked a significant step in ensuring the Pathway and Sharks are part of one unified community. FNA aims to support the development of players, umpires, coaches, volunteers, and all involved, from NetSetGo to WANL, while also fostering a welcoming environment for everyone.

The goal is to ensure that the FNA and Sharks communities are connected, with Sharks having a visible presence at FNA.

It was another year of changes, which were so well received by the Community. Thank you to everyone involved in making FNA such an enjoyable place to spend so much of our time. Each and every person's contributions make a difference and it is appreciated by the FNA Committee and Staff.

# PRESIDENT'S REPORT

## New uniforms

With MG's sponsorship, we updated our uniforms across the board, including pathway dresses, hoodies, committee and umpire shirts, jackets, and the Fremantle Netball Association banner.

## Competition structure change

While recognising the cultural value of the existing competition structure, external factors like school ages, schooling, and work choices, and low team entry numbers into the 19 & Under competition year on year made a compelling case for change.

The agreed changes were:

- Remove the 19 & Under competition.
- Realign the 17 & Under competition into an 18 & Under competition.
- Shift the premier junior competition from a 15 & Under competition to a 16 & Under competition.
- The Committee agreed to introduce a Perpetual Trophy and a Grand Final MVP medal for the 18U1 division.

## Renaming of competition divisions

There was a strong attachment to the existing lettering system, especially among longstanding community members. However, clearer communication could be achieved with age group names.

The agreed changes were Open, 18 & Under, 16 & Under, 15 & Under, and so on.

## Coffee on the go

New coffee machines were purchased for the cafe, kiosk, and canteen. To handle high demand for early morning coffee, Fruber coffee delivery was introduced for 50 cents, paid to enthusiastic delivery staff (junior players who wanted to help).

## Rolling substitutions

Rolling substitutions were introduced and used across all Junior, 18 & Under, and Open divisions which turned out to be a very positive experience.

## Recognition of service

Les Preedy, an FNA Life Member and Winthrop Club member, was recognised for his 27 years of commitment and service to netball becoming the 101st Life Membership of Netball WA during the Opening Ceremony of the Fuel To Go & Play Association Championships.

# PRESIDENT'S REPORT

At the same event, Lisa Callaghan, Palmyra Rebels Netball Club President, was awarded the Netball WA Coaching Achievement Award. This was a fantastic recognition for Lisa and her ongoing pursuit of coaching excellence.

## Fremantle Ports Support

The Umpiring Committee was once again successful in obtaining a \$5,000 grant from Fremantle Ports, which was used to fund the Umpiring Academy and other umpiring programs.

## Boorloo NAIDOC Netball Carnival

FNA entered four teams to the carnival, with 27 Aboriginal and Torres Strait Islander athletes taking part, including 21 from FNA Clubs, plus nine non-Indigenous athletes. Each team won at least one game, and it was a successful event.

Teams were named Walyalup Marlee (Swans), Walyalup Kworbardak Yoks (Beautiful Girls), Walyalup Djindas (Stars), and Walyalup Djookan (Sisters).

We were grateful to coaches Simone Bropho, Megan Hill, Deb Librizzi, Mandy Lansbury, and Bek Fielding. Special thanks to Simone Barnes for her significant contributions and Janelle Mudie for the supply of Fremantle Uniforms.

## Parking Crossover Completion

The new exit to the oval car park was completed. Sincere thanks to FNA community member Alex Leijser for managing the project and BOS Civil for supplying equipment. Alex's dedication and hard work are greatly appreciated by the Association.

## Education and Training

The Association hosted a Cultural Awareness Training session funded by the City of Fremantle under the Grassroots for Champions Every Club grants. This session, aimed at increasing awareness of Aboriginal and Torres Strait Islander history and culture, was run by a First Nations speaker.

The Association also hosted an online information session featuring Ava Oprandi from the Working with Children Screening Unit. Ava presented on Club obligations and procedures, followed by a Q&A session.

## Tractor Farewell

Sadly, after many years of dedicated service, the FNA tractor stopped working which will be replaced in 2025.

# PRESIDENT'S REPORT

A big thank you to our office staff - Michelle, Bethan, Gayle, Kate, Keryn, and Amber. Also, a huge thanks to all our Committee, Association, and Club volunteers for your ongoing support and contributions to FNA. Reflecting on the year, it's incredibly fulfilling to see how much we've achieved together. None of this would be possible without everyone's collaboration, and I am truly grateful that we are on this journey together. It's wonderful to see such a strong sense of community and teamwork.

# LIFE MEMBER APPOINTMENTS

# PLAYER & COACH DEVELOPMENT REPORT

It was another industrious year for the development programs in 2024.

### ASSOCIATION CHAMPIONSHIPS

We had 19 teams representing Fremantle at the Fuel to Go & Play Association Championships and had 10 teams make the grand finals with 5 Association Champions. We also had a team participating in the No Limits competition.

Our Opening Ceremony flag bearers were Mandy Lansbury (Cockburn, 12U1 coach) and Genna Ho (Willetton, 20U athlete). Team Fremantle looked amazing in our new uniforms – thanks to our sponsor MG.

### METRO DEVELOPMENT PROGRAM

The second year of this program (aimed at bridging the development gap for pathway athletes), again included a six week competition with two of the fixtures being held at FNA, which were excellent nights with a real carnival atmosphere.

FNA submitted two 12U, 14U and 16U teams, plus one 20U team. All Associations involved agreed this program was again a resounding success.

## NET PROGRAM

We once again ran our Winter Net program over two timeslots in 2024, with 64 participants completing the 10 week program. Our seven week Spring Net program was also very successful with 94 keen participants. Great feedback was received from participants in both programs.

## SCHOOL HOLIDAY CLINICS

Our July School Holiday clinic was held over 2 bright, sunny July days with 94 players aged 5 – 11 participating. As with last year, we were grateful for the fresh fruit provided by Woolworths for our athletes to snack on. The participants were also lucky enough to have Jess Anstiss of the West Coast Fever visit on the first day and share some of her expertise.

We also ran an athlete clinic in October with the Fremantle Sharks, aimed at 11U athletes trialing for Fremantle Futures for the first time in 2025.

## COACHING DEVELOPMENT

The Association ran three Club coach clinics:

- Two NetSetGo clinics in April (20 participants).
- One clinic aimed at 13U and 12U coaches (11 participants).

All these clinics were positively received and we look forward to running more clinics in 2025. We also ran a Development Coach Accreditation.

Congratulations to our new Development coaches:

- Abby Passmore (Rossmoyne & Attadale)
- Angela Silich (Dalmatinac)
- Bianca D'Ortona (Cockburn)
- Kim Mulligan (Dalmatinac)
- Monika Silich (Dalmatinac)

**BETHAN DUFFILL**

ASSOCIATION UMPIRE DEVELOPMENT OFFICER

This year, we were again lucky enough to receive a \$5000 grant from Fremantle Ports to assist in the delivery and development of our 2024 Umpire Academy and programs.

I would like to thank our FNA Umpire Committee and FNA Umpire Squad for their ongoing support and assistance in umpiring, coaching, badging, delivering programs and talent identification throughout the 2024 season, our umpiring programs would not be so successful without the assistance from everyone. Thank you to everyone on the FNA staff and committee for all your input and assistance along the way. It was a huge team effort to make 2024 such a successful year.

## Junior Umpire Development Program

In 2024, 42 beginner umpires participated in the Junior Umpire Development Program, from 100 registered to trial. The program was run by our two development program coordinators, Erica Miglori and Dana Gibaut. These 42 participants were representing by 15 Clubs. In 2024 we saw 24 C badges and four umpires elevated to our FNA Umpire Academy program.

This year's program saw participants move through the grades as their skill levels increased. Thank you to the coaches for their dedication to the program and contribution to the results achieved.

## Adult Umpire Development Program

2024 was the third year running this program at FNA with participation and success. This year each Club was offered a free spot into the program, with six Clubs taking on this opportunity. This year we saw 14 umpires complete the program, with two umpires achieving their C badge accreditation. This program aims to upskill our Open division umpires and give the opportunity to umpires turning 18 year old or over to develop their umpiring skills and provide clear pathways into our development programs.

## Metro Development Umpire Program

This year we ran the second year of our Metro Development Umpire Program alongside the 2024 Metro Development Competition (MDC). Umpires had access to theory sessions and player training sessions to upskill and were then allocated to games at the MDC. Participation in this program is by nomination after recommendation from Club Umpire Coordinators. This year we had 15 umpires from eight Clubs participate.

# PUBLICITY & SPONSORSHIP REPORT

**HELEN JONES**

PUBLICITY & SPONSORSHIP COORDINATOR

Fremantle Netball Association were very grateful for the support and contributions that were received from sponsorships and grants in 2024.

MG Melville continued to be a platinum sponsor over 2024 and we were pleased to have their logo on our new FNA representative team uniforms, committee and umpire uniforms. We also enjoyed having the MG cars down at the courts on Saturdays with a special display on Grand Final Day. We hope our netball community support MG Melville as they have supported us.

Intersport Armando Sports continued as a valued sponsor again in 2024. Intersport provided a \$100 gift voucher to their stores for those athletes who received the Most Valuable Player award for their Association Championship team and supported members with dedicated discount days. We are sure those players were able to make the most of their vouchers and thank Intersport for their sponsorship.

We welcomed D'Orsogna as a silver sponsor in November 2024 and thank them for their support of their local community.

FNA would also like to thank Chris Burd and his company Dubtape for their support. We have a partnership with Chris to access premium tape for our strapping services, and Chris also supported us by taking high quality photographs on Grand Final Day, thanks Chris!

# FREMANTLE SHARKS

**CLARE BOND**

PATHWAYS SUBCOMMITTEE CHAIR

It was a successful season for our Sharks Open Team, who finished 3rd on the ladder following a nail-biting season, but they unfortunately ended their season in the preliminary final.

It was a notable year for Open athlete Larrissa Harrison, who reached her 150 game milestone, and announced her retirement at the end of the season. It was also a significant year for many of our other Open athletes, including five athletes selected into the West Coast Fever Reserves (see page 35), Ruth Aryang named Fever's 11th Player, and Georgie Cleaver included as a training partner for the Fever. Georgie and Ruth were also named in the Australian 21U squad.

Our 21 & Under team just missed out of finals, finishing their season placed 5th on the ladder. It was a highly competition division this year, and the athletes showed grit and tenacity throughout.

The 18 & Under Futures team finished their campaign in 7th place, and picked up their second win in their placing final. It was exciting to have the first structured competition for our underpinning athletes, and we look forward to seeing this competition back in 2025.

Thanks to our 2024 sponsors:
