2020

1. PRESIDENT'S REPORT Sondra Anderson

2020 certainly is a year that we will never forget.

There have been many challenges and changes due to Covid-19. When Community Sport was thrown into turmoil in March we needed to act quickly and together if we were to have any chance of having a season at all. It was touch and go at many moments in the leadup to our season and I must thank and congratulate the Executive who worked together tirelessly to pull together the logistics of running a Winter season. With the best interests of our members in mind at all times, the countless rule changes from government and governing bodies required a huge commitment from all with lots of give and take. Communication with our Club Presidents was crucial and Zoom meetings became our new normal.

Change allows us to try new things so we had a season, albeit the shortened timeframe permitted us to have only two rounds not three, and one final, not three. 12 minute quarters, not 15, was the compromise and our new chant became "Get in, PLAY, Get Out". Fees were reduced to reflect the shorter season and our motto became "anything is possible".

Our community rallied and the changes were embraced by everyone and all of this cooperation meant we ended the season feeling thankful we were able to play at all.

Spring was a huge success! We trialled a Tuesday night mixed netball under lights with music. Our traditional Wednesday night Spring netball was full and we ended the season in a high.

We restructured our office administration and have embarked on a program trialling new roles and responsibilities in 2021.

Can I say well done to our entire FNA Family and in thinking back, this quote seemed to sum it up for me –

"It always seems impossible until it's done" – Nelson Mandela

2020 Summary

- **Metro League** competition started Friday nights at Perth Netball Association and the State Netball Centre. FNA was travelling really well, then Covid hit and the competition stopped at round 5 and it didn't start again! 6 FNA teams, coaches, managers, umpires and of course supported by admin and the Executive.
- We welcomed Dee Boni and Maxine Leed as **Life Members** at the AGM.

- **Court resurfacing** was completed and ready for the season.
- **Shelters over Kiosk and Ladies' toilets** look amazing and were ready for the start of the season. The shelters were very well used on a Saturday and this also led to better patronage in the kiosk. Thank you again to Josh Wilson, MP for Fremantle, for the \$15,000 grant through Stronger Communities Program.
- We had to postpone our **Life Members** morning tea and the opening of the 2020 time capsule but we hope to make up for it in 2021.
- **FNA Bar**, guess what we did during the Covid Lockdown – got our restricted club liquor licence! Our senior club teams enjoyed being able to have a quick stop after their game and the bar soon became a very popular venue.
- **High Street Redevelopment** started and will continue into next season, thank goodness for Social Media to keep everyone up to date.
- **Parking** was always going to be different with the reduced parking spaces being available due to the High Street redevelopment. Social media posts and support from our Clubs getting the message out helped communicate the changes.
- **Game time changes and 12 minute quarters** worked well allowing all teams to warm up on court. With the late start to the season I think most people were thankful for the shorter game time.
- 12 **National C** badges, 1 **National B** Badge and 1 **National A** Badge were awarded to FNA umpires.

- At the completion of the 2020 GIGWANL Season **East Freo Sharks Netball** Open team finished 2nd on the ladder, making it through to the preliminary final and the 20U team finished 3rd on the ladder and made it one step further to the Grand final. Congratulations!
- The **FNA Representative Team Program** was held in September with 15 teams representing FNA. 7 teams finished in finals and 7 won Grand Finals.
- We held our tenth annual **Club Forum** a very well attended meeting with robust discussion and exchange of ideas on matters at FNA.
- **Spring Netball** under lights with music, we decided to try Tuesday night Spring for those who didn't play Winter or wanted to play in a mixed team. What a success it was, 36 teams registered and thanks to Keryn Rae who ran the competition. Our traditional Wednesday night Spring completion was even more popular with 130 teams registering. Thanks to Jan Miles who coordinated Wednesday night but also helped out with Tuesday nights as well. Awesome effort all round.
- **NWA Volunteer of 2020** was awarded to Sondra Anderson at the NWA NetBall. Congratulations Sondra!
- **Netball WA Coach of the Year 2020** was awarded to Karen Turnbull (Rossmoyne NC).

4. FNA REPRESENTATIVE TEAMS REPORT Sarah Dodd

Due to Covid-19, the 2020 Association Championships were held on the later than usual dates of 26th to 28th September 2020 at Perth Netball Association and the State Netball Centre. FNA entered 15 teams. The selection for our teams began in October 2019 via our phase 1 & 2 programs with teams selected following Phase 3 trials in February 2020. Our interrupted training program began and ceased in March, then recommenced in July for 10 weeks. Covid-19 meant there were many restrictions to be managed. For the first time our teams were split into two hubs (a morning and an afternoon session) at the weekend carnival.

2020 proved a very successful year for our Representative teams, with 7 teams making finals and all these teams won their grand final.

Listed below are the team placings and Player of the Year Awards. Thanks to Netball WA for the provision of a Gold Medallion from Gold Industries for the Players of the Year.

5. PLAYER & COACH DEVELOPMENT REPORT Tania Plant (ADO) & Lisa Callaghan

Like everyone else 2020 presented a completely new set of challenges for development within our Association.

Thankfully we were able to run a Representative Team program, however the Metro League season was cut short and State Cup was cancelled.

Given our limited ability to further upskill athletes, coaches and umpires in 2020, this will be a focus for 2021. We will continue to grow our programs to keep up with always changing demands to our association.

Talent Identification Program

Our Talent Identification program ran throughout the shortened season. This is the main focal point of our talent identification process as it highlights athletes from all teams no matter what grade they play in throughout our winter competition.

Below are the 2020 numbers that were invited to trial for our main FNA representative program for the year – Association Championships which was hosted in September in 2020. From this TID program athletes are invited to other trials through the year such as State Cup and Metro League.

12U	13U	14U	15U	17U

4 Teams	4 Teams	3 Teams	3 Teams	1 Team

Coaching Courses

FNA always plans to host at least 3 coaching courses at the start of each year that is open to our members, however this was not possible in 2020 due to Covid-19. We look forward to hosting these courses once again in 2021.

FNA Holiday Clinic

We were very pleased to be able to offer our FNA Holiday Clinic over two mornings during the July School Holidays. We had 157 attendees and they were looked after by 21 coaches who were either FNA Representative Team, Metro League or WANL athletes.

Net Set Go

A Net tier program for 5 to 7-year-old players was run alongside our Saturday competition. Net teaches fundamental motor skills and netball skills through dance, activities and games. In 2020 we had 36 participants who worked in groups of 8 to 10 players with two coaches per group. FNA had a fantastic set of enthusiastic coaches to assist these young players.

METRO LEAGUE

Fremantle Netball Association entered six teams into the 2020 Metro League competition. The weekly competition commenced in February 2020 at Perth Netball Association and the State Netball Centre but was unfortunately cut short and finished in March. 14U & 16U athletes were invited to trial if they had been a Rep Team player in 2019 and/or played for the Association in 2019 in Division 1 or 2. Some athletes who moved to FNA in 2020 were also invited to trial. For the 18U & Open trials athletes from our 2019 Winter competition in 17U1 & 2, 19U1 to 4 and SA1 to SA4 were invited to trial.
