PRESIDENT'S REPORT

**SONDRA
ANDERSON**
PRESIDENT

It has been another busy and rewarding year at Fremantle Netball Association, and I am proud to present this report for 2025.

Acknowledgement of Support

We were thrilled to receive our new FNA ute which has already been put to excellent use across the Association. We extend our sincere thanks to **WA Ministers Lisa O'Malley MLA, Simone McGurk MLA, and Kim Giddens MLA**, as well as the **WA Department of Creative Industries, Tourism and Sport (CITS)** for their support in making this possible.

Season Highlights

PlayHQ Line-Ups:

Clubs successfully transitioned to entering line-ups in PlayHQ. While challenging at first, the collective effort from all clubs ensured a smooth changeover.

Court Upgrades:

Courts 4–6 were resurfaced, improving safety and playing quality.

New Club – Riptide:

We welcomed Riptide Netball Club to the FNA community (pictured below).

Open 1 Game Trials:

Several Open 1 matches trialed 1:25 pm game times, enabling our FNA umpires to be coached, badged, and further developed.

Umpiring Initiatives:

- We saw the introduction of green sweatbands for Under 18 umpires.
- There was a continued focus on mentoring and development.

New Equipment:

- Zeller machines purchased for improved payment processing.
- A new BBQ was acquired for our sausage sizzle.

PRESIDENT'S REPORT

Walking Netball:

We introduced a growing and valued Walking Netball program — thank you to Jane Thomson and Brenda Forkin for their leadership.

National Volunteer Week 2025 Grant: “Thanks a Latte”

This was supported by Volunteering WA and Lotterywest.

NAIDOC Carnival:

FNA entered one 14U team, their team name was Walyalup Kwila (Fremantle Sharks), and they had a very successful day, winning their competition.

Shared Oval Use:

We shared our oval with Fremantle Markets and a film crew, showcasing our community presence.

Lighting Improvements:

Light bulbs were replaced ahead of Spring and light towers repaired. These are expected to last approximately three years while we apply for a grant to transition to LED lighting.

MUA Sponsorship

MUA were welcomed as a Platinum Sponsor for a three-year sponsorship.

Armando Sports

Thank you to Armando Sports for providing MVP vouchers for each Fuel to Go & Play team, and for hosting two FNA member discount weekends in April.

Events & Community Engagement

Community Family Fun Night:

A successful Family Fun Night celebrating our community. This was great fun, with many families and FNA members coming down for food trucks, Kidz'n Sport and a DJ!

We also drew a hamper raffle and Golden Parking Ticket raffle on the night, the winner will enjoy designated parking for the 2026 season.

Life Members' Morning Tea

This was held on the 17th of May with great success! Thank you to David Vyse for chairing the event.

Farewells

This year we farewelled two long-serving contributors to the FNA Community:

Clare Bond

Clare has decided to take a break from netball, and we acknowledge her extraordinary contribution as the inaugural Sharks President and Chair. Her service to FNA since 2013 has been significant and enduring, spanning committee roles, subcommittees, strategic planning, and leadership across both FNA and the Sharks pathway.

Her achievements include:

- FNA Life Membership (2023)
- Westfield Booragoon Local Hero (2023), securing a \$20,000 grant for FNA
- Netball WA Board Member (2017–2019)
- Instrumental leadership in securing the Fremantle Sharks licence (2023–2027)

Clare's impact on our community and pathways has been profound, and we thank her sincerely.

PRESIDENT'S REPORT

Narelle Morgan

Narelle has also stepped back after serving on the FNA Committee and Pathway Subcommittee. As Rep Team Coordinator she supported countless Sharks athletes with dedication and care. Her behind-the-scenes work ensured our representative teams were organised, supported, and able to thrive.

We thank Narelle for her commitment and service.

UMPIRING REPORT

BETHAN DUFFILL

ASSOCIATION UMPIRE DEVELOPMENT OFFICER

I would like to thank our FNA Umpire Committee and Squad for their ongoing support and assistance in umpiring, coaching, badging, delivering programs and talent identification throughout the 2025 season. Our umpiring programs would not be so successful without the assistance from everyone.

In 2025 we also introduced the use of green sweatbands for umpires and coaches under the age of 18 to wear in order to encourage respect and kindness for these officials and volunteers. This was met with success with many club and academy umpires wearing green! Thank you to everyone on the FNA staff and committee for all your input and assistance along the way. It was a huge team effort to make 2025 such a successful year.

A huge congratulations to all umpires who were involved in the Netball WA and Netball Australia pathway and programs during the 2025 season. You represented Fremantle with pride and professionalism and were a standout compared with other Associations.

Fremantle had over 35 umpires represent us at the Fuel to Go & Play Association Championships competition across the three days. Together they umpired a total of 152 games, 12 umpires were then allocated finals by Netball WA and a further 8 umpires were talent identified by Netball WA for future programs. Overall, a massive achievement!

UMPIRING REPORT

Junior Umpire Development Program

In 2025, 100 athletes registered for trials, this was narrowed down to 43 beginner umpires who participated in the Junior Umpire Development Program. These 43 participants were represented by 15 Clubs. In 2025 we saw 18 National C badges and four umpires elevated to our FNA Umpire Academy program. Erica Miglori, our development program coordinator, once again ran the program.

2025 saw participants move through the grades as their skill levels increased. Thank you to the coaches for their dedication to the program and contribution to the results achieved.

Adult Umpire Development Program

2025 was the fourth year running this program at FNA. This year we offered each Club one free position in the program; two clubs took this opportunity. Unfortunately, participant numbers decreased in 2025, with only 3 participants completing the program.

This program aims to upskill our Open division athletes and give the opportunity to umpires over 18 to develop their umpiring skills and provides clear pathways into our other development programs.

Metro Development Umpire Program

This year we ran our third year of our Metro Development Umpire Program alongside the 2025 Metro Development Competition (MDC). Umpires had access to theory sessions and player training sessions to upskill and were then allocated to games at the MDC. Participants in this program receive a TID and are nominated to join by Club Umpire Coordinators. This year we had 14 umpires from eight Clubs participate.

PUBLICITY & SPONSORSHIP REPORT

HELEN JONES

PUBLICITY & SPONSORSHIP COORDINATOR

Fremantle Netball Association were very grateful for the support and contributions that were received from sponsorships and grants in 2025.

MG Melville concluded their sponsorship of FNA in March 2025 and we thank them for their contributions.

Maritime Union of Australia (MUA) WA Branch have been welcomed as a FNA Platinum Sponsor from November 2025 for a three-year sponsorship, with the opportunity to extend. We are very grateful for their support, and we are pleased to partner with them. Their logo will be displayed on some new signs down at the courts and they are also proudly on the new Sharks WANL uniforms.

Intersport Armando Sports continue to be a valued sponsor again in 2025. Intersport again provided a \$100 gift voucher for their stores for athletes who received the Most Valuable Player awards for their Fuel to Go & Play Association Championship teams. Intersport Armando Sports also supported members by hosting two FNA member discount weekends in April. We thank Intersport for their support and sponsorship throughout 2025.

We thank D'Orsogna again for their sponsorship through 2025 and their continuous support to the local community.

FNA would also like to thank Chris Burd and his company Dubtape for their support. We have a partnership with Chris to access premium tape for our strapping services, and Chris also supported us by taking high quality photographs on Grand Final Day, thanks Chris!

FREMANTLE SHARKS

CLARE BOND

PATHWAYS SUBCOMMITTEE CHAIR

It was a good season for our Sharks Open Team, who finished 5th on the ladder following an intense season!

It was a notable year for Open athlete Numi Tupaea, who reached her 100-game milestone. It was also a significant year for many of our other Open athletes, including three athletes selected into the West Coast Fever Reserves (see page 33). We also welcomed Mwai Kumwenda who also signed as a Permanent Replacement Player for Fever in 2025, and unfortunately said farewell to Ella Eastaugh, who has announced her retirement.

Our 21 & Under team unfortunately missed out on finals, finishing 8th on the ladder. It was a tough competition this year! However, our athletes showed grit, tenacity and resilience throughout.

The 18 & Under Futures team finished their campaign in 6th place but overall enjoyed the competition! It was a great experience for our athletes to play in this capacity.

We also welcomed Renata Taylor, who has taken over Sharks social media.

Report on the audit of the financial report

Opinion

We have examined the accompanying financial report, being a special purpose financial report, of FREMANTLE NETBALL ASSOCIATION INC. (the association), which comprises the balance sheet as at 31 December 2025, the income statement, and notes to the financial statements, including a summary of significant accounting policies and management's assertion statement.

In our opinion, the accompanying financial report of the association for the year ended 31 December 2025 is prepared, in all material respects, in accordance with the Associations Incorporation Act 2015.

Basis of opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial report section of our report. We are independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the code.

We confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to committee members, would be in the same terms if given as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of management and those charged with governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 2015, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- § Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- § Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- § Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- § Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- § Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with committee members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the committee members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Qualified Auditors Opinion

As is consistent with this type of organisation, there are limited controls over receipts of sale income, grants and the like. These amounts are recorded only when banked, so accordingly this audit is limited to the amounts recorded.

We were unable to verify the reconciliation of the petty cash/till floats as we were not present during the reconciliation. We are therefore unable to express an opinion on the carrying value of petty cash as at 31 December 2025.

During the course of the audit, we were unable to verify the physical value of the stock on hand as we were not present during the stock take. We are therefore unable to express an opinion on the carrying value of the stock as at 31 December 2025.

In our opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had limitation discussed above not existed, the financial report of FREMANTLE NETBALL ASSOCIATION INC. presents fairly the assets and liabilities as at 31 December 2025 and the income and expenditure of the association for the year then ended in accordance with the basis of accounting described in Note 1 to the financial statements.
